Chair of Arts

Confident about talking about any issues raised from students

Been a student rep and student voice in high school and college and now an academic rep at uni as well as an ambassador

Will represent the arts as a whole, not just specific courses

Reduce hidden course costs within the arts

Provide mental health support

Support and advise any academic choices such as work placements, volunteering and employability opportunities

Study spaces and accessibility – work with the timetabling team to produce timetables on when the art spaces are free to use throughout the weeks, including weekends and holidays.

Create art course based study groups to talk about essay/project worries ideas etc.
