

**Olivia Morrow**  
LGBTQ+ Liberation Officer

Create a safe environment for all LGBTQ+ students in York St John and York itself.

Make sure the well-being team have the proper training to help LGBTQ+ students with common issues they may face personally or at university.

Have a permanent section in the library specifically for LGBTQ+ authors.

Turn the Students Union bar into a queer space/pub once a month so LGBTQ+ people have a safe space to go and have fun.

Make sure the Students Union works with the community in York to make the city a safe place and inclusive for all.

All York St John staff within both the university and Students Union should be trained in pronoun use and sensitivity to the LGBTQ+ community.
