WELCOME

York St John Students' Union is a democratic, charitable organisation. We exist to ensure our members (students) have the best possible time whilst studying at York St John University. We are founded on our vision and values which govern how we run and shape our fundamental beliefs as an organisation.

OUR VALUES

➤ Inclusive

Provide activities and spaces that make students feel that they belong.

➤ Transformative

Ensure that the Students' Union provides opportunities and experiences that positively change lives.

➤ Challenging

Constantly critique and question what we and our partners do to ensure that we are always striving to act in the best interest of students.

➤ Empowering

Equip students with the skills, opportunities, and experiences to enable their success.

➤ Fun

Make student life at York St John University enjoyable and rewarding.

The Students' Union is led by three full-time elected officers, in addition to a team of part-time officers, who share responsibility for the organisation. Each year, students stand for election for these positions and those who are elected by their fellow students serve for one year.

Whichever role you choose to stand for, it's an important job. Officers have the responsibility for ensuring that the views of students are effectively and equally represented within the Students' Union and the University.

By reading this candidate pack, you've already taken your first steps to being a part of one of the Students' Union's busiest periods! After Welcome Week, our annual elections is our biggest event and you'll see our entire community come alive as candidates go out to gain votes.
